Situated in the green and mountainous periphery of Marmaris, Villa Manzara® has detached villas with stunning seaviews in the Southern Aegean. Selimiye is 40 km. south of Marmaris and is circa 140 kms. from the Dalaman or Bodrum Airports. The buses to Bozburun and Selimiye can be a mode of transportation as well as taxi and minibus services from Marmaris. The village is one of the most relaxed and friendly spots in a country renowned for its friendliness. Traditionally, the locals have made their living from fishing, farming and boat building, and these activities still govern the rhythm of life in the village. Boat trips are the highlight of a visit to Selimiye. The coastline is so stunning and the water so clear that a trip to deserted island for a barbecue lunch and a swim in a secluded bay is sure to be a memorable experience.

Activiteiten

The whole area is ideal for walking or mountain biking. Our guests particularly enjoy the walk over the hills to Bozburun, the waterfall around Turgut and the climb to the small fortress overlooking the village. Historical ruins of Roman, Byzantium and Ottoman era are an integral feature of the locality just as the the beautiful inlets and islands which are encountered during the daily boat trips. For groups of four or more people it is possible to arrange a personal itinerary. Small tours or excursions to the environs, i.e. waterfalls, Datca/Knidos, Bozburun yacht harbour, and to the nearby historical ruins adds immeasurably to your appreciation of the history, landscape and culture with which you come into contact.
