What a lovely house. A beautifully restored kamarra (arch), a big oriental looking lounge that you can just fall a sleep on, and a huge roof terrace from where one can even see the sea. The house is really comfortable and luxurious and has all amenities. There are shutters on every window so the house is always cool, and comfy. The bathroom is en suite and leaves nothing to wish with a big bath. The one bedroom has a double bed, and the other one has two bunk beds and can contain a baby cot. The house is located in a lovely street in the beautiful old village of Koskinou. There is a shower outside so that one can take a cooling dip when it is hot.
