Set in a renovated area, within an old Olive Mill!!! The Casita is newly built, and just perfect for couples. It boasts a huge feature bath/ poolette in the bedroom (for cooling off in the hot summer). It has a modern kitchen with a large fridge with freezer, and a gas cooker. The casita has a very large shower, plus his and hers sinks in the very large bathroom. All mod cons, TV and DVD. There is a generator we can use if we have the odd cloudy day through spring and autumn, if it is needed (we try and use renewable energy where possible). The living room has a cozy log fire, for cooler nights and the casita has its own private terrace, leading straight out onto the pool area. Guests receive a welcome food pack to ensure your 1st day is as relaxing and as stress free as possible!
