## Activities

We have a large selection of charming holiday homes close to beach and only 40 min from the capital Lisbon. ERICEIRA is right on the coast, 50 kms north of Lisbon, a small town living off fishing, with white houses built round a deep blue harbour, and set between sandy beaches which are not as busy than those of cliched Estoril or Cascais. The town dates from 1229. The hospitality of its people, the harmony of the old village with its narrow cobblestone streets, the characteristic housing, the sea, the fishing, the cuisine and the bold Atlantic views all interlace to welcome its visitors.
