This cute, little house is a popular one because of its warmth and its artistic decorations. The uniqueness of this house is the fact that it is decorated by one of Rhodes finest artists. She painted the house using only warm colors and decorated it with an eye for detail. The location of this lovely place is on the edge of the village, where you can enjoy peace of mind in the big garden, while still being close to the old centre of Lahania.

Activiteiten

Laxania is a very small , traditional village in the South of Rhodes not far from Prassonisi , the surfers paradise ! The beach is a half an hour walk away , and what a beach ! very quiet indeed. if you rent a car or motorbike you can go for shopping or a pizza in Gennadi village about 20 km away. there you can find watersports , horseriding , tennis etc. Actually this is just the perfect place to rest and unwind because its just a very quiet , beautiful village !
